MEMORANDUM FOR: AD SO

SUBJECT: Registration of Agents
of Foreign Powers

REFERENCE: Memorandum for the Record from
General Counsel, dtd 18 Oct 50,
same subject, and attachment

1. Inasmuch as the detailed liaison arrangements appear to be proceeding satisfactorily, this office has no direct concern with the normal operation of this liaison. I have forwarded the proposed letter to [REDACTED] to the front office for dispatch. Of course, we shall always be glad to help on any legal problems that may arise in connection with registration of agents.

2. For your information, we have had one inquiry from OO/C from a contact who wished to know whether or not he had to register. Since the answer was for information only and no action was required, we instructed OO/C accordingly. It is expected that further requests may come from almost any branch or connection with CIA and if any action is indicated, we will immediately get in touch with [REDACTED]
